

ACRYLIC SURFACE CONTROL AGENT

TEGO® Flow 380

Flow promotion for solvent-based clear coat formulations

NEW

Description

TEGO® Flow 380 is a very compatible leveling agent based on unique polymer technology. This leveling agent is applicable for various clear coat formulations improving leveling with outstanding anti-popping performance and

recoatability as well. This leveling agent is efficient showing excellent performance even at low dosages and is easy to incorporate into formulations without predilution.

TEGO® Flow 380 – At a Glance

Performance

- Outstanding flow promotion
- Anti-popping property
- Excellent recoatability
- 100% active matter content

Easy to blend

- Easy incorporation without predilution
- As supplied 0.2 – 0.7% on total formulation
- Low VOC, non-dangerous goods

Universal usage

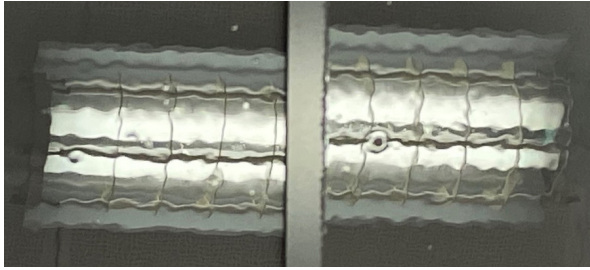

- Suitable for various clear coat formulations
- Particularly for automotive OEM, automotive refinish, and general industrial coatings
