

Product Information

Polycel® 860

Promoted alumina for use in SCLAIR Solution Adsorbers

PRODUCT DESCRIPTION

Promoted alumina for use in SCLAIR Solution Adsorbers

TYPICAL APPLICATIONS

Polyethylene plants

BENEFITS & ADVANTAGES

Promoted alumina for use in SCLAIR Solution Adsorbers

PACKAGING

2,000 lbs (907.2 kg) supersack

bulk pneumatic truck

STORAGE

Store in its original container, keep elevated in a dry covered space away from direct sun exposure or heat. Keep dry.

SHELF LIFE

5 years in original packaging stored in a dry, covered location

Disclaimer

This information and all further technical advice are based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third-party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried out only by qualified experts in the sole responsibility of a customer. Reference to trade names used by other companies is neither a recommendation, nor does it imply that similar products could not be used.
