TEGO® Addbond LP 1611

DESCRIPTION

TEGO® Addbond LP 1611 improves adhesion and flexibility of solventborne coatings on metal and plastic. It is solvent-free and highly suitable for high-solids coating systems.

KEY BENEFITS

- excellent improvement of adhesion to metals and plastics
- solvent-free
- improves intercoat adhesion

Adhesion on	metal	_			
Adhesion on	plastic				
Hardness					
Flexibility					
Viscosity red	luction / in	crease of s	olids conte	nt	
Fixation of a				II.	

vaterborne	solventborne
	•
2-pack 100%	radiation-curing
	•

TYPICAL APPLICATIONS

- High solid industrial coatings
- Can coatings
- General industrial coatings
- Plastic coatings

п		CHNI				DATA	
ч	_	~	11.41			_	$\boldsymbol{\Gamma}$

active matter content	100 %
appearance	clear liquid
chemical description	solvent-free modified polyester
hydroxy value (calculated on non- volatile content)	Approx. 60 mg KOH/g
viscosity at 23°C (as supplied)	Approx. 15000 mPas

/ater	Ethanol
	0
TPGDA	Acetone
•	•
Butylacetate	Mineral Spirits
•	•

RECOMMENDED ADDITION LEVEL

Solid calculated on main binder solid: 1.5 - 7.5 %

PROCESSING INSTRUCTIONS

Addition as supplied during the let-down is recommended.

HANDLING & STORAGE

When stored in an original unopened packaging, the product has a shelf life of $48\ mathred{months}$ from the date of manufacture.

This information and all further technical advice are based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried on only by qualified experts in the sole responsibility of a customer.
